

## CSPA Remote Education - Using Google Classroom Home/School Agreement

By reading this home/school agreement, you are agreeing to the following:

### **Google Classroom:**

- Teachers will use Google Classroom to set homework as per the year group homework timetable.
- Teachers will use the 'stream' to provide whole class announcements and general feedback to the children.
- Pupils will not be able to use the stream to communicate with the teacher and other pupils.
- Teachers will provide timely and impactful feedback after homeworkwork has been submitted - this will be managed by the teacher as and when required.
- Pupils will regularly look back at their work for feedback after it has been checked and 'marked' by the teacher.
- Pupils can ask their teachers questions via the private comment box if needed.
- Pupils, teachers and parents will allow for flexibility when using Google Classroom for homework in order to consider everyone's circumstances.
- If required, parents should communicate with teachers via the school office email, not Google Classroom.
