

Chalfont St Peter Church of England Academy Charging and Remissions Policy

The Governing Body recognises the valuable contribution that the wide range of additional activities, including clubs and visits, can make towards a pupil's education. The Governing Body aims to promote and provide such activities as part of a broad and balanced curriculum for the pupils of the school and as additional optional activities.

The relevant statutory provisions are contained in Chapter III of Pt VI of the Education Act 1996. This requires the Governing Body to determine and keep under review a Charging and Remissions Policy.

There are two types of financial contributions for which parents can be asked in relation to educational activities:

- Voluntary contributions
- Permitted charges

They have different limitations as set out below.

Voluntary Contributions:

The school is able to ask for voluntary contributions from parents to fund activities during school hours which would not otherwise be possible. There is no limit to the level of voluntary contribution that may be asked for or any restriction on the way in which it is used.

There is no obligation for parents to make any contribution, and no child will be excluded from an activity if their parents are unwilling or unable to pay.

If the school is unable to raise enough funds for an activity or visit then it will be cancelled.

Permitted Charges:

Permitted charges are a direct request to cover certain costs involved with a school activity or visit. No charge can be made in respect of education provided during school hours (which excludes the midday break). Furthermore, no charge can be made for any education provided outside of school hours if this forms part of the syllabus for a public exam, or as part of the National Curriculum or religious education (non-chargeable education). A charge may be made however for board and lodgings on any residential educational visit (subject to the school's remissions policy).

1. Materials & Textbooks

Where a pupil or parent wishes to retain items produced as a result of art, craft and design, or design and technology, a charge may be levied for the cost of the materials used. In the case of Food Technology, pupils usually provide their own ingredients, but if the pupil forgets, the school provides the ingredients and levies a charge. Textbooks are provided free of charge, but in some subjects, additional revision guides are available, for which a charge is made.

2. Music Tuition

The Governors appreciate that primary aged children are learning and that a large part of this process is experimenting with music, and in particular with playing an instrument. To facilitate this important aspect of a child's creative education, the governors have decided to financially support your children by making a charge for music lessons that is broadly in line with other local schools. This will inevitably mean that the academy will need to add extra funding to this budget, but it is hoped that parents will appreciate this policy decision by encouraging their children to maintain their

commitment for the whole academic year. No refunds will be granted if a child withdraws from lessons earlier than the agreed commitment, as the academy is required to pay the full year fees in advance.

3. Residential Activities/Activities Outside School Hours

If the activity is held outside school hours and is education other than non-chargeable education, then it is regarded as an "optional extra". A charge may be made for the full cost of the activity but must not exceed the actual cost of providing the activity. The charge will include the costs of travel, board and lodgings, additional staff costs, entrance fees, insurance, materials and equipment. However, the charge made to individual parents cannot include any cost added to subsidise parents of children who are unwilling or unable to pay the charge.

When is an activity held in school hours?

A day visit is in school hours if:

50% or more of the total time (including travelling) occurs in school hours.

As mentioned above school hours do not include the normal midday break.

A residential visit is in school hours if:

The number of school sessions missed is 50% or more than the number of half days spent on the visit (including travel).

A school session equates to a registration session (i.e. 2 per day).

A half-day is a 12 hour period ending at midday or midnight.

4. Damage/Loss to Property

A charge will be levied in respect of wilful damage, neglect or loss of school property (including premises, furniture, equipment, books or materials), the charge to be the cost of replacement or repair, or such lower cost as the Headteacher may decide.

5. Lettings

SUGGESTED NEW WORDING: The school will make its facilities available to outside hirers, ~~only regular users,~~ at a charge of at least the cost of providing the facilities ~~and this will also include~~, including any out-of-hours payment required for site staff. The scale of charges will be determined annually by the HR and Academy Ops Committee and approved by the Governing Body.

6. Other charges

The Headteacher, Finance Committee or Governing Body may levy charges for miscellaneous services up to the cost of providing such services e.g. for providing a copy of an OFSTED report.

7. Academy Fund

Governors welcome voluntary contributions towards our Academy Fund. These contributions enable the Governors to maintain our high educational standards and also continue to develop our existing buildings programme.

Remissions Policy.

Where non-chargeable education is provided during a residential visit, then the parents of a pupil who is eligible for Pupil Premium shall receive a complete remission of any charges that would otherwise be payable in respect of board or lodgings.

Optional extras

Charges may be made for some activities that are known as “optional extras”. The following are optional extras.

- Education provided outside of school time that is not part of the national curriculum, or syllabus for a prescribed public examination that the pupil is being prepared for at the school, or Religious education;
- Examination entry fee(s) if the registered pupil has not been prepared for the examination(s) at the school;
- Transport (other than transport that is required to take the pupil to school or to other premises where the local authority or governing board has arranged for the pupil to be provided with education);
- Board and lodging for a pupil on a residential visit;
- Extra-curricular clubs;
- Extended day services offered to pupils.

When calculating the cost of optional extras, an amount may be included in relation to:

- materials, books, instruments, or equipment;
- any materials, books, instruments, or equipment provided in connection with the optional extra.
- non-teaching staff;
- teaching staff engaged under contracts for services purely to provide an optional extra, this includes supply teachers engaged specifically to provide the optional extra;
- the cost, or a proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, where the tuition is an optional extra.

The charge cannot exceed the actual cost of providing the optional extra or the board and lodging.

Participation in any optional extra activity will be on the basis of parental choice and a willingness to meet the charges. Parental agreement is therefore a necessary pre-requisite for the provision of an optional extra where charges will be made.
