Chalfont St Peter Church of England Academy **Accessibility Policy**

Chalfont St Peter Church of England Academy is committed to reducing barriers to learning and assessment and improving the access to inclusive education of all learners with special needs or disabilities. All members of the school community will be treated with dignity and respect and their individual needs will be accounted for.

This Accessibility Policy and Plan are drawn up in compliance with current legislation and requirements as specified in Schedule 10, relating to Disability, of the Equality Act 2010 which requires the governing body to:

- promote equality of opportunity for disabled people: pupils, staff, parents, carers and other people who use the school or may wish to; and
- prepare and publish a Disability Equality Scheme to show how they will meet these duties.

This Accessibility Plan and the accompanying action plan forms part of the Disability Equality Scheme and sets out how the governing body will improve equality of opportunity for disabled people. The SEN and Disability Act 2001 extended the Disability Discrimination Act (DDA) to cover education, so since 2002 the Governing Body has had three key duties towards disabled pupils under part 4 of the DDA.

- Not to treat disabled pupils less favourably for reasons related to their disability
- To make reasonable adjustments for disabled pupils, so that they are not at a substantial disadvantage including potential adjustments which may be needed in the future.
- To plan to increase access to education for disabled pupils.

This plan sets out the proposals of the Governing Body of the school to increase access to education for disabled pupils in the three areas required by the planning duties in the DDA.

- increasing the extent to which disabled pupils can participate in the school curriculum;
- improving the environment of the school to increase the extent to which disabled pupils can take advantage of education and associated services;
- improving the delivery to disabled pupils of information which is provided in writing for pupils who are not disabled.

It is a requirement that the school's Accessibility Plan is resourced, implemented and reviewed and revised as necessary. Attached is an action plan, showing how the school will address priorities identified in the plan. This plan incorporates the school's intention to increase access to education for disabled pupils.

In drawing up the Accessibility Plan the school has set the following priorities:

- To provide safe access throughout the school for all school users, irrespective of their disability.
- To ensure that the teaching and learning environment and the resources used are suitable for all staff and pupils, tailoring the requirements to suit individual needs.

- To provide training to all staff regarding the needs of disabled people and how to provide assistance to enable them to enjoy the school experience as fully as possible.

At Chalfont St Peter Church of England Academy we are committed to establishing equality for all pupils, their parents, staff and other users of the school. This is reflected in these aims

To provide a safe, secure, stimulating and supportive atmosphere where each child is valued. To nurture children towards positive self-worth, self-confidence as learners and to help each mature socially and emotionally to secure an inclusive learning environment and to support individual pupils with special educational needs and with disabilities

It is the responsibility of the whole school community to implement this scheme in a manner which promotes the inclusive ethos of our school.

According to the Act a “disabled person is defined as someone who has a physical or mental impairment which has an effect on his or her ability to carry out normal day-to-day activities”. The effect must be substantial, long term and adverse. The DDA definition of disability covers physical disabilities, sensory impairments and learning disabilities.

Chalfont St Peter Church of England Academy is committed to equal opportunities and inclusion. This strategy should be considered alongside the following school policy documents:

- Equalities, Diversity and Inclusion Policy
- Special Educational Needs Policy

This plan considers the following three areas as identified in the introduction:

1. Increasing the extent to which disabled pupils can participate in the school’s curriculum by securing relevant staff training and ensuring appropriate classroom organisation.
2. Improving the physical environment of the school such as ramps and handrails as well as physical aids to access education such as specialist desks and ICT equipment.
3. Improving the delivery to disabled pupils of information which is already provided to pupils who are not disabled. This should be done within a reasonable period of time and in formats that take account of any views expressed by pupils or parents about their preferred means of communication such as Braille, audio tape, large print and the provision of information orally.

Increasing the extent to which disabled pupils can participate in the school curriculum

The school Special Educational Needs policy ensures that staff identify, assess and arrange suitable provision for pupils with disabilities and special educational needs. Working with the LA and Educational Psychology Service, the SENDCo manages the Statutory Assessment Process, ensuring additional resources are available where appropriate.

The school works closely with specialist services including:

- Occupational Therapists and physiotherapists
- Speech and Language Therapy
- Specialist Teaching Service
- PRU outreach support

Improving access to the physical environment of the school

This element of the Planning Duty covers all areas of the physical environment such as external areas, buildings and fixtures and fittings. The aim is to continue to enhance the environment to meet the needs of all pupils and ensure that they have access to all aspects of education offered by Chalfont St Peter Church of England Academy.

Improving the delivery of information to disabled persons

Staff are aware of the services available through the LA for converting written information into alternative formats.

This Accessibility Plan is reviewed annually by the SENDCo and Governing Body.
