Headteacher's Welcome

Welcome to this week's newsletter. I hope you take the time to enjoy our CSPA news and updates! There's plenty to share so you might want to put your feet up and enjoy a cuppa!

Firstly, I would like to share that I met with the outgoing and newly-elected house captains this week who also form our school council. They shared the CSPA pupil voice admirably, coming up with some impressive ideas (watch this space) as well as being tasked with some playground equipment and reading tasks. I was so proud to hear them talk with such maturity, compassion and vision.

Well done to Class 4 , Mrs Newton and Mrs Clare for a wonderful class assembly today. I especially loved how they managed to weave our current school value of respect into sharing their learning - it was fabulous!

Congratulations also to our gymnastics teams who were representing our school last weekend in the hope that they might qualify for the national finals. I am so proud to say that our mixed team did - well done to all of the children and to Mrs Wright!

Earlier today, I shared a PTA newsletter for the spring term. It contains lots of information regarding our fundraising success and outcomes, as well as our continued drive to provide events to bring our school community together whilst also raising much-needed funds for our school refurbishment project. There is a virtual PTA meeting arranged for Tuesday 25th February. I hope you can be there - please [click here](#) for a link to the form to confirm your attendance or any way you can help. Thank you!

On the subject of the PTA, earlier today, more information about the Spring Fayre has been emailed to you. I hope you will be able to help in any way you can to support this traditional and much-enjoyed CSPA event.

This week has been 'Children's Mental Health Week'. The peer mentors launched the week on Monday with a collective worship and all this week, the children and staff have been thinking together about how to maintain healthy, positive and strong mental health. We are going to continue this theme into next week which will include Safer Internet Day on Tuesday and our very own Wellbeing Day on Friday where the children will enjoy their hot lunch and can also not wear their school uniform on this day.

And finally, it's been Number Day today at CSPA and the children have enjoyed extra Maths to celebrate numbers and their learning of them in a fun and exciting way.

Please see below for some key items in this week's newsletter to support you and help you keep up to date. Don't forget the deadline for ordering a PTA hot lunch is 9am on the 10th February and tickets are on sale for the PTA Quiz Night on the 28th February.

Have a fabulous weekend!

Best wishes

Mrs Alburg

Arrangements for Adverse Weather Conditions

I am writing to remind you of the arrangements should adverse weather conditions mean that Chalfont St Peter C of E Academy must be fully or partially closed.

Last week, we were met with some heavy snow around drop off time and the Buckinghamshire Local Authority have provided additional guidance about keeping warm and well and staying safe in cold weather which I am sharing with you below:

[Keeping Warm and Well and Staying Safe in Cold Weather](#)

In the event that we are able to stay open, we will of course take action to ensure that the site is safe and the children are looked after. This may include changes to the usual timetable, staying inside during break and/or lunchtime and gritting and removing ice from priority areas and routes.

Should we need to close for the day or partially close with a late drop off or early pick up, all of the information you require is on our school website which is linked below:

[Adverse weather condition arrangements](#)

Should you have any further questions, please don't hesitate to ask.

Sharing success in the local community

Jesus said *'I have come that you may have life in all its fullness'* (John 10:10). He calls us to a full life in mind, body, heart and spirit. At CSPA, we believe the purpose of education is to nurture and enable every child to thrive and to be the person they are fully capable of being. We are proud of what our children achieve, not only in school but outside of school too!

If your child achieves success in the community we would love to hear about it. Please email a summary and any photographs to the School Office to feature here.

Primary Maths Challenge - Bonus Round

Following on from their success in the first round of the Primary Maths Challenge, we were delighted that four of our Year 6 children achieved high enough scores to progress to the Bonus Round of the challenge.

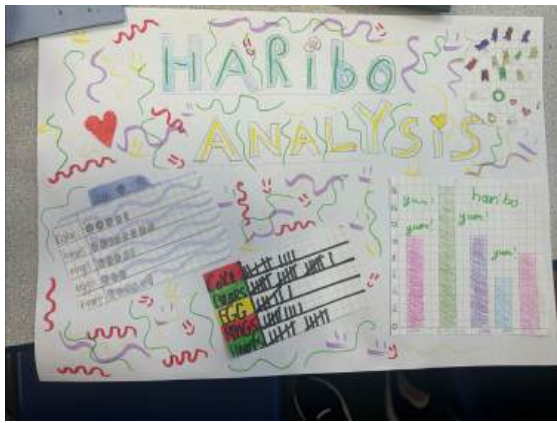

On Tuesday 4th February, Sasha, Ksenia, Neve and Bradley were presented with lots of very tricky problem solving questions in the Bonus Round of the challenge. We are so proud of them all for approaching this challenge with dedication and enthusiasm and we look forward to finding out how they got on.

Mrs Finn

Gymnastics

Congratulations to all of our gymnastics teams for competing last weekend to qualify for the national finals. As always, all teams performed at their best and represented the school brilliantly. Our mixed team were gold medallists and have gained a place to not only represent CSPA but the South of England at the national finals. Congratulations to the teams, thank you to parents and especially to Mrs Wright, our gymnastics coach.

Children's Mental Health Week and Wellbeing Day

Following an assembly launch with the Year 6 Peer Mentors on Monday, children have been thinking about looking after their mental health and wellbeing this week with a focus on 'Know Yourself...Grow Yourself'. We plan to continue this important focus next week too, concluding with our CSPA Wellbeing Day on Friday 14th February. On this day, the children will be invited to not wear their uniform if they choose to. It will also be Hot Lunch that day too!

You can read more about Children's Mental Health Week by clicking [here](#).

Safer Internet Day: Tuesday 11th February

Next week, with our continued focus on wellbeing, children will be reminded about online safety and how to keep safe when using technology. This is regularly part of our CSPA curriculum but the annual Safer Internet Day helps prioritise the important message for keeping safe online. Our CSPA Digital Leaders will help to promote the day too!

Chocolate Treat Friday!

Every Friday staff recognise 1 child in each class who has **consistently shown the Golden Rule and been a Values Champion** throughout the week. The chosen child receives a chocolate treat, a certificate from Mrs Alburg and a HUGE round of applause in Collective Worship.

Congratulations to the following children who received a melt in the middle chocolate cookie!

Year 3: Aviana, Aanav, Sonny

Year 4: Evie, Zayn, Dylan E

Year 5: Amelia, Sophie L, Seb P

Year 6: Jessica, Mya D, Dhrithi

Class Assemblies

We are delighted to share plans welcoming you to join some of our CSPA assemblies and collective worship. Throughout the school year, every class and their teacher/s will be creating and presenting an assembly to the rest of their year group and you are invited to come into school and watch your child's class assembly. This is a wonderful opportunity for children to showcase their learning, build their confidence and experience performing and presenting in front of others. We are thrilled to be opening our doors and welcoming parents into school for another chance to be part of your child's CSPA journey, build positive relationships and engage with our whole school community.

The class assemblies will be on Fridays starting promptly at 9:10am and finishing at 9:30am. You are welcome to arrive at 9am. The assembly will be shared in our school hall.

To give you prior notice, the dates of each class assembly are shared below:

Friday 7th March 2025: Year 3 Class 1

Friday 28th March 2025: Year 6 Class 12

Friday 2nd May 2025: Year 5 Class 9

Friday 23rd May 2025: Year 4 Class 6

Friday 20th June 2025: Year 3 Class 2

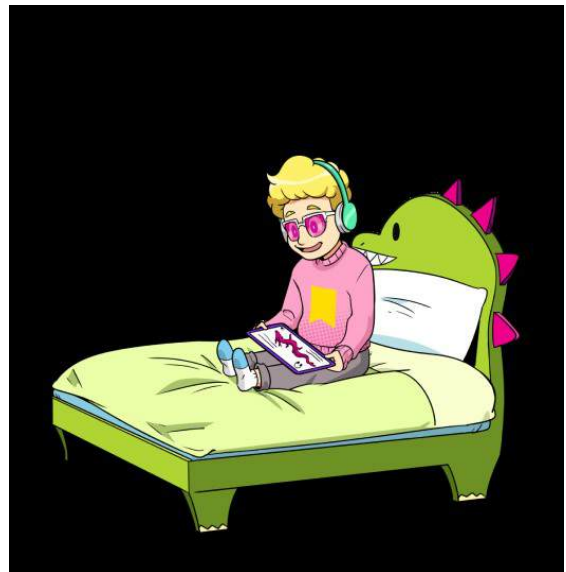

Friday 11th July 2025: Year 6 Class 10

To ensure that we do not exceed the hall's capacity and be compliant with fire regulations, we ask that a maximum of two members of each family attend the

assembly. Siblings not of school age can attend but will need to sit on adults' laps. There is no need to register your attendance, please just arrive at 9am via the school office. Please note that the rest of the school will have the opportunity to also enjoy the assembly at a later time that morning.

We look forward to seeing you and welcoming you to our class assemblies.

World Book Day And Reading Your Way Thursday, 6th March, 2025

World Book Day this year is on Thursday, 6th March.

It's time for World Book Day, and once again this year, we are inviting the children at CSPA to either come dressed in book-related 'fancy-dress', or to come to school in 'cosy clothes', which they would feel comfortable reading in. We will also be holding our annual World Book Day Book Swap, so please start to think about which books from your current collection you might like to donate to the book swap, in order to make room on your bookshelves for the new, swapped ones you will choose in school on World Book Day.

We support World Book Day because we believe in its aims. This year, World Book Day is focussing on 'Reading Your Way.'

'Reading Your Way' encourages everyone to let go of reading pressures and expectations, and empowers children and young people to have fun discovering reading on their own terms. This helps to build a love of reading for pleasure.

Please read below for some more detailed information about the benefits of reading for pleasure.

Our mission is to promote reading for pleasure, offering every child and young person the opportunity to have a book of their own. Reading for pleasure is the single biggest indicator of a child's future success – more than their family circumstances, their parents' educational background or their income.

World Book Day defines Reading for Pleasure as:

Feeling sense of satisfaction or pleasure by engaging with chosen reading material in their free time.

We want to see more children with a life-long habit of reading for pleasure and the improved life chances this brings them.

Six Elements - One Reading Superpower

The evidence base shows there are 6 building elements which support a child to read for pleasure

Being read to regularly

Having books at home and at school

Having a choice in what to read

Finding time to read

Having trusted help to find a book

Making reading FUN!

These 6 elements shape and guide everything World Book Day does.

Why Reading For Pleasure? - The Evidence

Reading for pleasure is the single biggest indicator of a child's future success – more than their family circumstances, their parents' educational background or their income. Key outcomes are listed below.

- Improvement in vocabulary in comparison to non-readers (Millenium Cohort Study)
- Correlation between regularity of reading for pleasure and ability in reading each reinforcing the other as students get older (Cremin 2019, Torppa 2020)
- Better performance in subjects other than English (Millenium Cohort Study)
- Reading for pleasure is one of the most important predictors of test scores at age 16, regardless of background (OECD)
- There is a strong correlation between regular reading for Pleasure and

Mental Wellbeing which is separate from other predictors (NLT 2018)

- Reading improves a child's empathy skills (Oatly 2016)
- Interventions developing Reading for Pleasure attitudes (offering book choice and time to read rather than instruction) have a greater influence on reading ability than reading lessons for older children/adults (Greenberg 2014)

More details to follow after half term.

Reading at CSPA

Over the next few weeks, we will be sharing some plans to further develop and encourage reading at CSPA . As a starting point, shared below are some links to some recommended reading books for each year group. We hope you find them useful and look forward to sharing more reading news and updates in the coming weeks:

[Recommended reads - Year 3](#)

[Recommended reads - Year 4](#)

[Recommended reads - Year 5](#)

[Recommended reads - Year 6](#)

The 'Reading Stack' is part of an exciting new CSPA initiative to help children

track their reading progress and explore a variety of genres throughout the year.

Some children have their Reading Stack on paper to be stuck into their reading records, while others may not have had their reading record available. If your child didn't stick it in at school, please can you do this at home? The Reading Stack is designed to encourage students to discover what genres interest them most and to try out different kinds of books. Here's how it works:

- Each child has a Reading Stack with six different genres (such as mystery, adventure, fantasy, etc.) and ten books listed under each genre.
- As they read books, they can colour in a book on the stack that corresponds to the genre of the book they've read.
- Each genre has a specific colour, and when your child writes the title of the book in their reading diary, they will place a small dot of the corresponding colour next to the title.

This method not only helps track their reading preferences but also encourages them to explore books they might not have considered before. We've included a list of suggested books for each genre that are age-appropriate, but children are welcome to explore other titles within each genre too. The aim is to inspire them to read for fun and broaden their literary horizons!

Please remember, there is no expectation to finish the entire stack by the end of the year—this is about encouraging as much reading as possible at a comfortable pace.

We're excited to see how this initiative inspires our young readers and hope they enjoy both the journey of discovery and the fun of tracking their progress.

Year 5 Mystery Reader

This week, Year 5 had the delightful opportunity to welcome our first mystery reader, who brought the joy of storytelling to life with "The Brilliant World of Tom Gates." The moment the reading began, the energy in the room shifted as excitement filled the air, it was lovely to see the children erupting into giggles at the funny moments and engaging with the story in a way that only a lively reading can inspire. A big thank you to Hugo's mum for her incredible storytelling, it was amazing to have you!

PTA Hot Lunch

Our next PTA hot lunch of the year is on **Friday 14th February 2025**.

The hot lunch is kindly being supplied again this time by The Village Chippy in Chalfont St Giles.

As usual, the choices are fishcake, chicken nuggets, beef and pork sausage or a vegetarian sausage. If you wish for your child to have a hot lunch please login in to ParentPay www.parentpay.com, select the 'hot lunch' item stating your child's food preference: fishcake, chicken nuggets, beef and pork sausage or a

vegetarian sausage in the comments box.

**The final deadline for ordering is Monday 10th February, at 9am.
Unfortunately, no orders can be accepted after this date. Please do not request a hot lunch after this date.**

The cost of the lunch is £6.00. If you wish to make an additional donation to the school, you can do so by entering a higher amount in ParentPay (see instructions below). Proceeds over and above the cost of the lunch go towards purchasing valuable items for the school. As you know, we are currently fundraising for two projects – the school refurbishment project and the curriculum design project.

When you select the item to make payment, you will see two options:

- Pay full amount (£10.00)
- Choose payment amount

To pay for the hot lunch select 'Choose payment amount' and type the amount you wish to pay into the box (minimum is £6, maximum is £10).

Please note if payment is not made, an order will not be placed for your child. Children are under no obligation to have a hot lunch – some will prefer their usual lunchbox so please do not feel under any pressure to include your child.

If you are entitled to free school meals please ensure that you go onto your Parent Pay account to select your child's meal choice.

I am grateful to one of our parents, Ms Wagner, and other parents as well as members of school staff for working together to provide this firm favourite for the children.
