'Sea La Vie'

'World of Wonder'

Spring Curriculum

In addition to English and Maths, your child will be studying other subjects under the title above. Many subjects are linked to the same theme and cross-curricular topics help to develop a more in-depth and connected learning. Below is a short synopsis of the learning under each subject. You can find more information about our CSPA curriculum by clicking [here](#).

English	Shared above are some of the texts we will be reading in Year 5 this term. More information about reading can be found on our CSPA website . Termly spellings can be found in advance on Google Classroom.
Maths	The Year 5 Maths curriculum map and breakdown of objectives can be found on the school website. In brief the topics are as follows: <ul style="list-style-type: none"> • Multiplication and division • Fractions • Properties of shape • Position and direction • Decimals • Percentages
