Bringing **joy**...
inspiring success!

THANK YOU!

CSPA Fund

We value and appreciate any support you may be able to give the school so we can continue to provide the best learning and development opportunities during your child's four-year journey with us. You can also read more about how to give to the school by clicking on the link below:

<https://www.cspacademy.org.uk/parents/cspa-fund>

Thank you so much to those families who have already made a contribution.

Headteacher's Welcome

It's been another busy week in school and the busyness started last weekend with the PTA Spring Fayre. What a fabulous event! As always, there was a vibrant, positive and joyful atmosphere - lots of fun was had by all and it was lovely to see current families as well as prospective families and of course past pupils. It's a real highlight of the school calendar which perfectly brings the CSPA family together. Thank you to everyone who attended and to everyone involved in making the Spring Fayre happen. My special thanks go firstly to the Year 6 children, the Year 6 staff and to Mr Eggleton for their hard work creating amazing games for the fayre. It was wonderful to see their creation and then coming to life for the fayre itself. I would also like to thank the following parents who were integral in the organisation of the fayre - Mrs Lender, Mrs Webster, Mrs Barr, Mrs Lester and Mrs Ferres. I am delighted to hear from Jayne Webster today, that we have raised £4,544.77. A phenomenal amount - thank you so much!

I hope you valued the opportunity to come into school this week to meet with your child's class teacher on either Monday or Thursday. We always appreciate working in partnership with families to achieve the best for every child. The highlighted feature this week focuses on parental engagement with the school. Finally, it was a pleasure to welcome parents to the school this morning to watch Class 12's assembly. It was a real treat and all themed around 'Class 12's Got Talent'. We loved every moment and congratulate Miss Gordge and Class 12 on a fantastic assembly!

Don't forget Mrs Ditty and the Wings have launched a whole school Lent challenge to give back rather than give up! You can read more later in the newsletter - please encourage your child to take part in the challenge by sharing random acts of kindness.

As we approach the final week of this term and the Easter holidays, please take the time to catch up with all the news and updates shared later in the newsletter. Please don't forget that we close at 1:30pm next Friday 27th March.

Have a lovely weekend - spring has sprung!

Mrs Alburg

We have only one vacancy left now for a class coordinator. This is for Class 3. If anybody is interested please email the school office. Thank you.

Parent Engagement

As headteacher, I am continually proud of the strong sense of community that exists within our school. One of the most important factors in a child's success is the partnership between home and school. When parents, carers, and staff work together, children feel supported, confident, and ready to thrive.

We know that families lead busy lives, but even small moments of engagement can make a big difference. Whether it's talking with your child about their learning, attending school events, or positively connecting with staff, your involvement helps to build a positive and encouraging environment for all.

Our Parent Teacher Association (PTA) plays a vital role in this partnership. The PTA not only helps to raise valuable funds for resources and experiences, but also brings our community together through events and initiatives. Joining the PTA, sharing ideas, or offering your time—however small—can have a lasting impact on the opportunities we provide for our pupils. We also warmly welcome parents and carers to work alongside our staff. This could include sharing skills and experiences that enrich our curriculum. These contributions help to bring learning to life and show children the value of collaboration.

School events are another wonderful way to stay connected. From assemblies and performances to meetings and celebrations, these moments allow us to

come together, celebrate achievements, be fully informed, and create lasting memories. Your presence at these events sends a powerful message to your child about the importance of their education.

Our doors are always open, and we encourage open communication between home and school. By working in partnership, we can ensure every child feels supported and able to reach their full potential.

Thank you for your continued support—we truly value the role you play in our school community.

House Captains and Pupil Leadership Team

This term, the house captains who also stand as the pupil leadership team, have been listening to pupil voice and sharing their ideas with me. One of their ideas is to have a special last day of term - a 'High Five Day' which will provide some treats for the children after working hard and trying their best this term. One of the things they have asked is if we can have a non-uniform day on the last day - 27th March, which I have agreed to. This is optional as always and children can wear their uniform if they would prefer. They have also asked if they can have school fundraising buckets and stand at the gates at the start and end of the last day to raise some money for the school. The children will find out more from the house captains on Monday.

Children's use of screens and smartphones

I would like to set up a parent voice group to work with me to inform and support others within our school family. I believe that a unified approach is the best way forward to lead and support families and generate the greatest impact on our children. If you can spare the time, have some knowledge and a strong passion around this topic. Please highlight your interest in being part of the group via the google form linked below.

We have invited Andy Cockburn from the Smartphone Free Childhood movement to speak at CSPA on Thursday 23rd April at 7pm in our school hall (. Families from Chalfont St Peter Infant School will also be invited. I cannot urge you enough to join this meeting. The messaging is incredibly powerful and the guidance offered will support our unified approach. Please indicate your attendance via the Google Form below.

Chocolate Treat Friday!

Every Friday staff recognise 1 child in each class who has **consistently shown the Golden Rule and been a Values Champion** throughout the week. The chosen child receives a chocolate treat, a certificate from Mrs Alburg and HUGE round of applause in Collective Worship.

Congratulations to the following children who received a Wispa Gold chocolate bar!

Year 3: Otis, Chloe, Jason

Year 4: Rory M, Hannah, Holly

Year 5: Liam, Cole, Alice

Year 6: Jorim, Charlie O, Jeevan

Golden Rule

The one rule for all of us in school is:

*Everyone will act with gentleness
and respect to others at all times.*

*We will keep ourselves
and others safe.*

Astros

Please note, on PE and Games days, children should wear flat-soled trainers, and should bring their football boots to change into for going to the field for football or rugby. We have had some injuries as a result of children playing at lunch-time in astroturf boots (astros), and kindly request that these are changed to flat-sole trainers as a matter of urgency.

Year 6 Wales Trip 2026 - Medical Consent Form and Meeting for Parents

As we continue our planning for the Year 6 residential trip to Wales, I am writing to share two things with you. Firstly, please may I ask you to complete the form below which will provide us with up-to-date medical and dietary information for your child. If you are able to complete this by Friday 20th March, I would be most grateful.

[Year 6 Wales 2026 medical and dietary requirements form](#)

Secondly, I would like to inform you that on Thursday 21st May, there will be a meeting for parents to share final details for the trip. This will be at 7pm and in the school hall.

Any additional information will be shared with you via email.

Year 4 Osmington Bay Meeting

A reminder that there will be an information meeting about the trip on Tuesday 24th March at 3.30pm. We can provide childcare for any children who attend CSPA, younger children can sit with you in the meeting. I will share information straight after the meeting for any parents who are unable to attend.

Mrs Valentine

Year 3 Upcoming Activities

We have a few activities coming up in year 3 - please note the following and let your child's teacher know if you have any questions.

On Monday 23rd March, we will be visiting the library for our second visit this year. The children do not need to bring anything for this, as the system will not be turned on for them to borrow or return books, but it is an opportunity to further explore the library provision.

On Tuesday 24th March (weather-permitting), we will be taking a walk in the

local area to look for signs of spring as part of our science topic. (This may change to another day that week if the weather so requires).

Both activities are covered by the consent given for visits in the local area, but we wanted to inform you that these were happening.

During the final week of term (w/c 23rd), please can the children bring in a clean, empty **small-to-medium sized yoghurt pot** for an Easter craft (which we will do on the Friday). If you have spares, please feel free to send in a few extra with your child, in case any other children are unable to bring one in.

Please also remember we have our Ancient Greek day on Thursday 26th March, where the children are welcome to dress up if they would like to!

Year 3 Ancient Greek Day

We are excited to let you know that on **Thursday 26th March**, the year 3 children will be taking part in an Ancient Greek day, to bring our learning in History and English this term to life. There is no cost to parents, as this is an internally-organised activity day.

There will be lots of activities throughout the day for them to have a go at, including practical activities and arts and crafts, and they will also have the opportunity to taste some typical foods that would have been part of the daily life of the Ancient Greeks (eg. pomegranate seeds, olives, feta cheese, pitta bread...). We will ensure that no nuts are present in the food provided, but if you have any concerns regarding allergies or intolerances for your child, please do get in touch with your child's teacher to discuss these. Please still provide lunch as usual for your child on this day, as the food will just be little tasters.

We would also like to invite the children to **dress up** for the day. There are many ways that Ancient Greek costumes can be fashioned out of bed-sheets or old pillow cases, or they may wish to come as a particular Greek God or Goddess, a philosopher, mathematician or a soldier - be as creative as you wish, we can't wait to see what you all come up with! The children will be taking part in an 'Olympic Games'-style games lesson on the field (weather-permitting) during the day, so please ensure they have trainers with them, as it may still be muddy! They may wish to wear comfortable clothes underneath their costume for this too, but it is not a necessity.

If children have an after-school club where they will need their PE kit, they can bring their kit with them and we will give them time to change before the end of the day.

We hope this will be a fun and memorable way for the children to learn about Ancient Greece in more depth. If you have any questions, please don't hesitate to get in touch.

Kind regards,

The Year 3 team

Year 5 Dance Workshops

We are excited to let you know that Year Five have been given the opportunity to take part in some additional dance workshops to complement their usual PE and games lessons. Please send your children into school wearing their PE uniform on that day so they can take part comfortably.

Workshops will happen on the following dates:

April 16

May 14

June 4

June 11

Lent Challenge

This year, our whole school is taking part in a Lent Challenge with a twist. Instead of giving something up, we're encouraging everyone to complete **40 Acts of Random Kindness** — or even more if they can.

Each child will be given a challenge sheet to record different ideas of Acts of Random Kindness (ARK), or they can design their own. Every time they 'ARK' someone, they will tick the act on their sheet.

In the summer term, we'll be inviting all children to bring their completed ARK records back into school.

Visiting Author

As part of our drive to promote reading for pleasure at CSPA, we are pleased to be welcoming author Tor Freeman to school on Monday 20th April. Tor is an author of graphic novels, a genre we know is particularly popular at the moment, so we are very excited to have her come into school. She will be completing a workshop for all the children, and the children will then have a chance to have a book signed and dedicated. If you would like to purchase the book for them to be signed, please do so via the link in the attached letter. Please use the link in the email which was sent to all parents on 17th March.

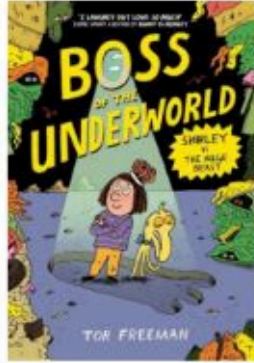

The deadline for ordering these books is 11am on Friday 17th April.

Non-Uniform Day - Friday 1st May

On Friday 1st May, we will be holding a non uniform day in exchange for donations towards our PTA Hollywood Glamour Ball raffle hampers. We kindly ask that children bring an item based on their year group:

- * Year 3 – Home items (for example candles, vases, diffusers etc.)
- * Year 4 – Hamper Food (for example chocolate, crackers, jams etc)
- * Year 5 – Pamper items (for example face masks, creams, accessories etc)
- * Year 6 – Bottles (for example wines, spirits, non-alcoholic drinks)

Thank you for your support in helping us create some fantastic raffle prizes for this special event.

Sharing success in the local community

Jesus said *'I have come that you may have life in all its fullness'* (John 10:10). He calls us to a full life in mind, body, heart and spirit. At CSPA, we believe the purpose of education is to nurture and enable every child to thrive and to be the person they are fully capable of being. We are proud of what our children achieve, not only in school but outside of school too!

If your child achieves success in the community we would love to hear about it. Please email a summary and any photographs to the School Office to feature here.

Last Sunday Erin in Year 4 was part of the Amersham & Chalfont U10 girls hockey team who won the Bucks County tournament. Here she is with her County Champions medal.

She will now be playing at the regional tournament in April. We wish her all the best.

Well done Erin!

Year 6 Netball

Our Year 6 Netball team played a challenging and exciting match in the league this week, facing a very strong opposition. Despite a determined effort from everyone on the court, we came away with a narrow 10–7 loss — our first defeat of the season.

The team showed fantastic resilience and teamwork throughout the game, with every player contributing and giving their best from start to finish. It was especially wonderful to see some of our children playing their very first netball match. They rose to the occasion brilliantly, showing confidence, enthusiasm, and great sportsmanship.

Although the result didn't go our way, there were so many positives to take from the match. The players should be very proud of their performance, and we're excited to see them continue to grow and develop.

Well done to everyone involved!

Mrs Finn and Miss Gallagher

Year 6 Football

A 3-0 win against St Mary's Beaconsfield this week sent our year 6 girls into the final! Great performance by all and clinical in front of goal!

Mr Briant

CSPA Gymnastics

Congratulations to our gymnasts who represented the school and the south of England at the Milano School National Final. They competed brilliantly and the mixed team came in strongly in 6th position. Well done CSPA and thank you to parents for their support and of course to Mrs Wright for her expert coaching!

The Gibson Maths Challenge

On Friday 13th March, four of our Year 6 pupils represented the school at the annual Gibson Maths Challenge held at The Beacon school. The children had to tackle lots of challenging Maths problems whilst working as a team to compete against 13 other schools. I was so proud of them for the determination and resilience that they showed during the afternoon when faced with the many mathematical challenges.

Mrs Finn

Year 5 Mystery Reader

We were delighted to welcome Ethan's mum into school this week as our Mystery Reader, bringing a lovely surprise for the children.

What made this visit extra special was the wonderful pop-up book of The Wizard of Oz, which immediately captured everyone's attention with its interactive pages and beautiful illustrations. The children were thoroughly engaged and loved seeing the story come to life in such a unique way.

To make the experience even more exciting, Ethan's mum linked the story to the recently released Wicked film, helping the children make connections between classic and modern storytelling. It was a fantastic opportunity to spark their curiosity and deepen their understanding of familiar characters in a new context.

Thank you so much for such a creative and memorable visit — it was truly something a little different, and very much enjoyed by all!

Year 3 Mystery Reader

This week we had Beau's mum as our Mystery Reader, who managed to read a whole Horrid Henry book! We had a great time laughing at the antics that Henry and his friends got up to!

Class Assemblies

The class assemblies are on Fridays starting promptly at 9:10am and finishing at 9:30am. You are welcome to arrive at 9am. The assembly will be shared in our school hall.

To give you prior notice, the dates of each class assembly are shared below:

Friday 1st May: Year 5 (Moon)

Friday 22nd May: Class 6

Friday 19th June: Class 3

Friday 3rd July: Class 10

To ensure that we do not exceed the hall's capacity and be compliant with fire regulations, we ask that a maximum of two members of each family attend the assembly. Siblings not of school age can attend but will need to sit on adults' laps. There is no need to register your attendance, please just arrive at 9am via the school office. Please note that the rest of the school will have the opportunity to also enjoy the assembly at a later time that morning.

We look forward to seeing you and welcoming you to our class assembly.

QUOTES & QUESTIONS

Earth provides enough to satisfy every man's need, but not every man's greed.
(Mahatma Gandhi)

Justice cannot be for one side alone, but must be for both.
(Eleanor Roosevelt)

? How much of what you want is what you actually need?

? Do you think about what is fair for others as well as what is fair for yourself?

Overcoming poverty is not a gesture of charity; it is an act of **justice**.
(Nelson Mandela)

? Can you rewrite these words spoken by Nelson Mandela in your own words?

? If you want peace, work for **justice**.
(Pope Paul VI)

? Why do you think Pope Paul VI believed **justice** was essential to having peace?

CSPA School Prayer

Dear Lord,

As we come together, we ask for your guidance as we make our journey through life,

As we work together, help us to show commitment and dedication,

As we play together, help us to show tolerance and kindness,

And as we look to the future, help us to show determination and courage in all we do,

Lord, we ask this in the name of Jesus Christ your Son.

Amen
