

Year 6 Summer

Class 10	Mrs Finn
Class 11	Mrs Bain & Mrs Clare
Class 12	Miss Gorge

## The big adventure

### Summer Curriculum

In addition to English and Maths, your child will be studying other subjects under the title above. Many subjects are linked to the same theme and cross-curricular topics help to develop a more in-depth and connected learning. Below is a short synopsis of the learning under each subject. You can find more information about our CSPA curriculum by clicking [here](#).

<b>English</b>	Shared above are some of the texts and a short animation we study in Year 6 this term. More information about reading can be found on our <a href="#">CSPA website</a> . Spellings can be found each week on Google Classroom (Year 6 Spellings).
<b>Maths</b>	The Year 6 Maths curriculum map and breakdown of objectives can be found on the school website. This term also includes lots of problem solving projects and investigations requiring the use and application of mathematical skills and knowledge the children have now gained.
