1. Introduction and aims

Regular school attendance is essential if children are to achieve their full potential. This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#). We will achieve this through our whole-school culture and ethos that values good attendance. Our aims include:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

At Chalfont St Peter Church of England Academy we believe that regular school attendance is the key to enabling children to maximise the educational opportunities available to them and become emotionally resilient, confident and competent adults who are able to realise their full potential and make a positive contribution to their community.

Chalfont St Peter Church of England Academy values all pupils. As set out in this policy, we will work with families to identify the reasons for poor attendance and try to resolve any difficulties. We recognise that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies relating to safeguarding, behaviour, health and safety and teaching and learning. This policy also takes into account the Human Rights Act 1998 and the Equalities Act 2010.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013 and the 2024 amendment](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

3. Roles and responsibilities

The governing body is responsible for:

- Setting high expectations of all school leaders, staff, pupils and parents
- Making sure school leaders fulfil expectations and statutory duties, including:
 - Making sure the school records attendance accurately in the register, and shares the required information with the DfE and local authority
 - Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific pupils, where appropriate
- Recognising and promoting the importance of school attendance across the school's policies and ethos
- Making sure the school's attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources
- Making sure the school has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual pupils or cohorts who need it most
- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge
- Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils needs
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance

- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
 - The importance of good attendance
 - That absence is almost always a symptom of wider issues
 - The school's legal requirements for keeping registers
 - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Holding the headteacher to account for the implementation of this policy

The headteacher is responsible for:

- The implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies
- Issuing fixed-penalty notices, where necessary, and/or authorising the Deputy Headteacher to be able to do so
- Working with the parents of pupils with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for pupils with SEND, including where pupils with SEND face in-school barriers
- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents through all available channels
- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis
- Regularly monitoring and evaluating progress in attendance
- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff
- Liaising with pupils, parents/carers and external agencies, where needed
- Building close and productive relationships with parents to discuss and tackle attendance issues
- Creating intervention or reintegration plans in partnership with pupils and their parents/carers
- Delivering targeted intervention and support to pupils and families

Teachers are responsible for:

- recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office

School [admin/office] staff will:

- Take calls/follow up on emails from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls/forward emails from parents/carers to a member of the Leadership Team where appropriate, in order to provide them with more detailed support on attendance

Parents are responsible for:

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every school day on time
- Email the school to report their child's absence before 10am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Seek support, where necessary, for maintaining good attendance, by contacting the headteacher via the school office

Pupils are expected to:

- Attend school every day, on time

4. Recording attendance

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day (AM) and once at the start of the second session (PM). It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

(See Appendix 1 for the DfE attendance codes)

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8:45am and ends at 3:20pm

Pupils must arrive in school by 8:45am on each school day.

The register for the first session will be taken at 8:45am and will be kept open until 9:15am. The register for the second session will be taken after an early lunch (12:45pm) or late lunch (1:45pm).

Unplanned absence:

Parents should advise the school by email with further detail about the nature of the absence at absent@cspacademy.org.uk on the first day of absence and provide the school with an expected date of return. This should be followed up each following day that the child may be absent. Alternative arrangements will be agreed with non-English speaking parents/carers. If a parent has not notified the school of their child's absence by 10am, the school office will telephone them to confirm why they are not in school.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 school days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

Planned absence:

We encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

Parents wishing to take their child out of school during term time must complete an online 'Application for Leave of Absence Form' which can be located at www.cspacademy.org.uk before arrangements are made. Documentary evidence of leave may be required in order to process the request. Retrospective requests will not be considered and therefore may result in the absence being categorised as unauthorised.

Lateness and punctuality

Late Arrival: Registration begins at 8.45am. Pupils arriving after this time will be marked as present but arriving late. The register will close at 9.15am (*no more than thirty minutes after the opening of the register*). Pupils arriving after the close of register will be recorded as late, this will not be authorised and will count as an absence for that school session.

On arrival after the close of the register, pupils must immediately report to the school office to ensure that they can be responsible for their health and safety whilst they are in school.

The absence will only be authorised if a satisfactory explanation for the late arrival can be provided.

The absence will be recorded as unauthorised if the pupil has arrived late after the registers close without justifiable cause, for example, if they woke up late.

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may attend the pupil's registered address (as stated in our Child Protection Policy)
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer from the local authority
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals

Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3 above) about their child's attendance and absence levels. This will be at least annually for all parents as part of their annual report and half-termly or possibly more regularly where there is a concerning level of absence.

5. Authorised and unauthorised absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as unexpected, unavoidable and beyond control.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Leave of Absence and Extended Leave: Parents do not have an automatic right to remove their child from school during term time for the purpose of a holiday and are strongly advised not to do so. They should be made aware that if their child is absent for 10 school days they will miss 5% of their education during that academic year.

Parents wishing to take their child out of school during term time must complete an online 'Application for Leave of Absence Form' which can be located at www.cspacademy.org.uk before arrangements are made.

Documentary evidence of leave may be required in order to process the request. Retrospective requests will not be considered and therefore will result in the absence being categorised as unauthorised. The Headteacher can only authorise leave of absence in exceptional circumstances.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart. Parents are requested to give advance notice to the school if they intend their child to be absent. However, in the interests of fulfilling the academic requirements of the school and limiting the authorised absence rate of the school, it is identified as reasonable that no more than one day be designated for any individual occasion of religious observance/festival and no more than three days in total in any academic year. Absence in excess of this may be categorised as unauthorised.
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision. To protect Traveller parents from unreasonable prosecution for non-attendance, the Education Act 1944, section 86, states that a Traveller parent is safe from prosecution if their child accrues 200 attendances (i.e. 200 half days) in a year. This is only when the family is engaged in a trade or business that requires them to travel and when the child is attending school as regularly as that trade permits. It does not mean that part-time education for Traveller children is legally acceptable, nor does it relieve parents of their duties to ensure that their children are receiving suitable education when not at school. When in or around Buckinghamshire, if a family can reasonably travel back to their Base School (see below) then the expectation is that their child will attend full-time. Chalfont St Peter CE Academy will be regarded as the base school if it is the school where the child normally attends when they are not travelling. However, the pupil must have attended in the last 18 months. Traveller children can register at other schools temporarily while away from their base school, in such cases, the pupil's school place at Chalfont St Peter CE Academy will be kept open for them whilst travelling. This is to protect them from unfairly losing their place at their school of usual attendance. Chalfont St Peter CE Academy can only effectively operate as the child's base school if it is engaged in on-going dialogue with Traveller families. This means that parents must:
 - advise of their forthcoming travelling patterns before they happen; and
 - inform the school regarding proposed return dates

Chalfont St Peter CE Academy will authorise absence of Traveller children if we are satisfied that a family is travelling and has given indication that they intend to return.

Traveller children will be recorded as attending an approved educational activity when:

- The child is on roll and attending another visited school
- Undertaking supervised educational activity under the jurisdiction of another Local Authority's Traveller Education Service
- The child is undertaking remote, distance learning that is time evidenced

Where Traveller children are registered pupils at a school and are known to be present either at a site (official or otherwise) or in a house and are not attending school, the absence will be investigated in the same way as that for any pupil.

- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

6. Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Parenting Contracts (Anti Social Behaviour Act 2003)

A Parenting contract is a voluntary agreement between LA, school and the parent, it can also be extended to include the child and any other agencies offering support to resolve any difficulties leading to improved attendance.

The contract will outline attendance targets and will detail agreed actions that will help to achieve the target. The contract will be reviewed regularly.

The contract can be used as evidence in a prosecution should irregular attendance continue.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the

school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

7. Support systems

Chalfont St Peter C of E Academy recognises that poor attendance is often an indication of difficulties in a child's life. This may be related to problems at home and or in school. Parents should make school aware of any difficulties or changes in circumstances that may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation. This will help the school identify any additional support that may be required.

Chalfont St Peter C of E Academy also recognises that some pupils are more likely to require additional support to attain good attendance, for example, those pupils with special educational needs, those with physical or mental health needs, migrant and refugee pupils and looked after children.

The school will implement a range of strategies to support improved attendance. Strategies used will include:

- Discussion with parents and pupils
- Referrals to support agencies
- Friendship groups
- Reward systems
- Time limited part time time-tables
- Additional learning support
- Behaviour support

Support offered to families will be child centred and planned in discussion and agreement with both parents and pupils.

8. Monitoring attendance

Pupil's attendance will be monitored and will be shared with the Local Authority and other agencies if a pupil's attendance is a cause for concern.

On a regular basis throughout the term, the school office will provide the Headteacher with attendance data for the previous five weeks for each pupil falling below 90% attendance.

Year Leaders will receive a complete set of data for their year group on a half termly basis.

This pupil level data will be used to trigger school action as set out in the escalation of intervention (Appendix 2). Attendance data will also be used to identify emerging patterns and trends to inform whole school strategies to improve attendance and attainment. Chalfont St Peter C of E Academy will share attendance data with the Local Authority as required. All information shared will be done so in accordance with the Data Protection Act 1998.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely. Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns
- Benchmark attendance data against national and local data half termly, termly and annually.

To improve attendance, the school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 9 below)
- Provide regular attendance reports to facilitate discussions with pupils and families, and to the governing board and school leaders
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate.

Deletions from the Register

In accordance with the Education (Pupil Registration) (England) Regulations 2006, pupils will only be deleted from the register when one of the following circumstances applies:

- The school is replaced by another school on a School Attendance Order
- The School Attendance Order is revoked by the Local Authority
- The pupil has ceased to be of compulsory age
- Permanent exclusion has occurred and procedures have been completed
- Death of a pupil

- Transfer between schools
- When a parent informs the school in writing that the pupil is to be withdrawn to be educated outside the school system
- Failure to return from an extended holiday after both the school and the local authority have tried to locate the pupil
- A medical condition prevents their attendance and return to the school before ending compulsory school-age
- 20 days continuous unauthorised absence and both the local authority and school have tried to locate the pupil
- A pupil has left the school but not known where he/she has gone after both the school and the local authority have tried to locate the pupil

Chalfont St Peter CE Academy will follow Buckinghamshire County Council's Children Missing Education Protocol when a pupil's whereabouts is unknown.

9. Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary

Refer to our attendance strategy for more information.

10. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum every 3 years by the headteacher. At every review, the policy will be approved by the full governing board.

11. Links with other policies

This policy links to the following policies:

Appendix 2:

INTERVENTION FLOW CHART

School will notify parent of the child's irregular school attendance and offer them the opportunity and support to improve.

If you receive a letter informing you of concerns regarding your child's attendance you should

- Speak with your child to see if there are any reasons why they are reluctant to attend
- Contact the school to discuss any difficulties you or your child may be experiencing.
 - Ensure your child attends school regularly

If there is no improvement and the parent has not provided a good reason for the absence, the school will refer to the Education Welfare Service

The Education Welfare Service will invite you to attend a Parenting Contract Meeting and issue a Warning of a Penalty Notice.

A Parenting Contract is a voluntary agreement between yourself and the Local Authority aimed at supporting you in improving your child's school attendance.

Whilst your involvement in a Parenting Contract is voluntary, if you fail to engage with the support offered and your child's attendance remains irregular the Education Welfare Service may issue a Penalty Notice or begin legal proceedings in the Magistrates Court.

If you are issued with a Penalty Notice of £60 this must be paid in full within 28 days otherwise the Penalty will increase to £120. If you fail to pay the Penalty the Education Welfare Service may instigate legal proceedings against you.

If you are found guilty of this offence you can be fined up to £2500 and or be imprisoned for a period of three months.
