and see our
wonderful children
and staff in action.

Arriving at school

Please may I remind parents that the school playground is not supervised until 8:30am. This is already 15 minutes before the school day starts at 8:45am to give parents a drop off window.

Children should not be on the playground until 8:30am and should be under parental responsibility until that time.

Thank you for your support.

Pencil cases

Please may we ask you to ensure that your child's pencil case has the necessary stationery items and that these are regularly checked and replenished. Teachers sometimes waste valuable teaching time ensuring the children have all they need. For your information your child needs the following:

HB pencils, Black handwriting pens, Coloured pencils (not felt pens or gel pens), 30cm ruler, Eraser, Pencil sharpener, Scissors (round ends), Large glue stick, 2 dry wipe marker pens, Purple ink pen.

Thank you for your support with this.

Parents' Evenings

I am pleased to invite you to a parent and teacher consultation at our Autumn Term Parents' Evenings. This will be an opportunity for you to meet with your child's class teacher in year group classrooms and talk about how they have settled into their new year groups, their general performance in class and the progress being made so far.

Our Autumn Term parent teacher consultation evenings will be held on:

Monday 19th October - from 4pm - 7pm

and

Thursday 22nd October - from 4pm - 7pm

You are invited to make an appointment to see your child's class teacher on one of these dates.

The booking system for Parents' Evenings will be live from 12 noon on Monday 12th October. You will receive an email at 12 noon on Monday containing a link to book your appointment. If you have more than one child you will receive separate emails for each class. Please only book one appointment per child, per household.

The appointments are on a first come first served basis. Please note that the booking system will close on the morning of your appointment. If you need to amend or cancel your booking after this time, please contact the school office.

More information will follow nearer the time.

We are very much looking forward to welcoming you into our school on your chosen date.

Individual Pupil Photographs

Children have been given a slip of paper containing an individual QR code from Helen Rayner photography this week, this enables you to register your email address in order to receive a notification when your child's photograph is ready to be viewed and purchased.

Images ordered online by Friday 23rd October will be eligible for free delivery to school.

Please direct any queries to helenraynerphotography@outlook.com

Photographs for CSPA School Website and Social Media Accounts

We are pleased to let you know that a photographer will be in school on **Wednesday 4th November** to capture images of all the wonderful things happening across our school. These photographs may be used on our **school website and social media accounts** to celebrate and showcase school life.

The updated images will reflect the guidance produced by the **UK Safer Internet Centre**, including practical steps schools can take to reduce the risk of images being manipulated using artificial intelligence (AI).

You have previously confirmed whether or not you consent to your child's image being taken. If you would like to **update your consent preference** before the photoshoot, please contact the school office by **Monday 2nd November**.

Thank you for your continued support.

Arts Week 2026 - 'The Theatre'

Monday 19th - Friday 23rd October

We are delighted to tell you that the much-loved CSPA Arts Week is back! The theme for this year is 'The Theatre'! Your children will dive into topics such as musicals, masks, set design, costumes and much more. They will also join in with one drama workshop and the whole school will enjoy an age appropriate performance of 'Midsummer Night's Dream'.

Arts Week has always proved to be a high point of the year. Each class will spend the day in a different year group from Tuesday to Thursday, having the chance to get to know new teachers, or spend the day with a previous one. On Monday and Friday, they will be in their own class to enjoy the day together.

No Maths and English homework will be set this week, but the children have the choice to complete an Arts Week Diary, showing all that they have learned and experienced during the week. This is to be completed at home, in any way they would like, and brought back into school on the Monday after half term. If your child needs to take any paper home, their class teacher will be happy to provide it. Each child who completes their diary will receive 3 raffle tickets, and have the chance to have it displayed in The Junction.

As we have workshops and a theatre performance during the week, and use a range of creative materials, we are asking for a donation of £7 for each child please. If you feel able to donate more, that would be hugely appreciated! You will find this on your Parent Pay account soon.

Please could you also ensure your child has a complete pencil case for the week, including a working glue stick, and a large cover-up they can wear over their uniform during any messy activities.

If your child has a club after school, they may still wear their PE kit on those days. Year 6 will have Games as usual on Friday, so they should come in wearing PE kit on that day.

Please ensure your child has a full pencil case for the week, particularly, please check that they have a full glue stick and pair of scissors.

For the activities across the week, please could your child bring in any old magazines they have at home, and a shoe box.

We are all very much looking forward to Arts Week, and we hope your child remembers it for many years to come.

PTA Hot Lunch

Our first PTA hot lunch of the year is on **Friday 23rd October 2026.**

The hot lunch is kindly being supplied again this time by The Village Chippy in Chalfont St Giles.

As usual, the choices are fishcake, chicken nuggets, plain meat sausage or a vegetarian sausage. All of which come with chips and a kitkat to follow. If you wish for your child to have a hot lunch please login in to

ParentPay www.parentpay.com, select the 'hot lunch' item stating your child's food preference: fishcake, chicken nuggets, plain meat sausage or a vegetarian sausage in the comments box.

The final deadline for ordering is Monday 19th October, at 9am.

Unfortunately, no orders can be accepted after this date. Please do not request a hot lunch after this date.

The cost of the lunch is £6.50. If you wish to make an additional donation to the school, you can do so by entering a higher amount in ParentPay (see instructions below). Proceeds over and above the cost of the lunch go towards purchasing valuable items for the school.

When you select the item to make payment, you will see two options:

- Pay full amount (£12.00)
- Choose payment amount

To pay for the hot lunch select 'Choose payment amount' and type the amount you wish to pay into the box (minimum is £6.50, maximum is £12).

Please note if payment is not made, an order will not be placed for your child.

Children are under no obligation to have a hot lunch – some will prefer their usual lunchbox so please do not feel under any pressure to include your child.

If you are entitled to free school meals please ensure that you go onto your Parent Pay account to select your child's meal choice.

I am grateful to Mrs Lade, Miss Cole, and other parents as well as members of school staff for working together to provide this firm favourite for the children.

A list of ingredients and allergens from The Village Chippy has been emailed out to all parents today.

Parent Pay

Letters have been sent home to all Year 3 parents and children new to the school. Please see details of instructions below to activate your account.

Please do this as soon as possible. **You will need to activate your account to be able to order a PTA Hot Lunch if your child would like one.**

To ensure the smooth running of clubs, music lessons, activities and trips at Chalfont St Peter Academy we use a secure online payment website called ParentPay. Parents are asked to make all payments to school via the ParentPay website rather than sending cash or cheques into the school office.

New to ParentPay?

You will need to create your secure online account by visiting www.parentpay.com and using the unique activation username and password which will be sent home via a letter with all new Year 3 children and emailed to other new families. You will then be prompted to change these to something more memorable and private to you. If you have two or more children at a ParentPay school, you only need to activate one account to create your 'main account' and then add your other children via the **Add a child tab** on your home page.

Already have a ParentPay account?

If you already have a ParentPay account, either with our school or another ParentPay school, you can simply login to that account and add your other children via the **Add a child** tab on your home page. You will need the activation username and password to do this.

Please visit www.parentpay.com and activate your account via the **Account login** area on the home page of the site.

ParentPay holds an electronic record of your payments to view at a later date. Once you have activated your account you can make online payments straight away.

Please do not hesitate to contact the school office if you need assistance. Your support in using ParentPay will help the school enormously, thank you.

Year 3

Year 3 - Times Tables Rockstars Day

We are emailing to let you know about an exciting day we have planned for our year 3 children. On **Friday 9th October**, we will be holding a Times Tables Rockstars Launch Day. This is a day where we will celebrate all things times-tables, but with a twist - the children can dress up as a rock-star, and we will spend time showing them the website (fondly known as TTRS!) and setting up some friendly competitions throughout the day.

There is no charge for the day, it is simply a fun day to launch TTRS and get the children excited about learning using the site. The children can dress up as a well-known rock-star, or become their very own version of a rock-star - we can't wait to see what you all come up with!

The games they play on TTRS are tailored to each child's needs - when they first log in, there will be a baseline test for the children, and the site uses an algorithm to ensure the correct level of questions are being asked for each child.

Your child should have their TTRS log in stuck into their reading record, and a

letter will have been sent home informing you of how to log in, but if there are any questions about this, please do let us know! Please see the letter attached which has more information about TTRS games, and about getting the most out of TTRS for your child.

Having a secure knowledge of their times tables is vitally important to children's progression in maths, and we have found that TTRS is a helpful and engaging way to encourage them to practice their skills. Children should ideally know their 2x, 5x and 10x tables by the end of year 2, and in year 3 we focus on 3x, 4x and 8x tables. They should aim to know these fluently and quickly, without needed to count up (although counting up is a great way to start!).

Please let your child's teacher know if you have any questions about the day, or about how to support your child with their times tables learning at home.

Mrs Goldsack and the Year 3 Team

Parent Guide

We recommend a "little and often" approach; 3 minutes practice a day, 4 or 5 times a week is a good target.

What are the different Game Modes?

Single Player

Jamming 4 or 8 coins/correct answer	The only game mode without a timer, players chose the table and operation ($\times$ or $\div$ or both) they want to practise. Answer 10, 20 or 30 questions.
Gig 10 coins per correct answer	Gig games last 5 minutes and contain up to 100 questions, which come in 'waves', starting with the 10s, then the 2s, 5s, 3s, 4s, 8s, 6s, 7s, 9s, 11s and 12s. Novices are not expected to get past the 5s. Gigs provide the child (and their teacher) with a simple measure of their current skills, which is why learners should concentrate fully for the whole Gig as they won't get another try until next month.
Garage 10 coins per correct answer	Players are given a personalised set of 6 multiplication questions (and their matching division questions) in each round. The questions they get keep adjusting to provide the best fit for every learner's needs. This is probably the best game made for improving their recall while they're still learning.
Studio 1 coin per correct answer	Here your child earns their Rock Status, which is based on their Studio Speed. The faster they are the better their status. Studio Speed is the average of their most recent 10 Studio games. Suitable for confident players.
Soundcheck 5 coins per correct answer	Soundcheck games ask 25 multiplication questions (up to 12×12), allowing 6 seconds for each question. Suitable for confident players.

Multi Player

Festival 1 coin per correct answer	Children compete against others from around the world, with their identities protected behind their rock names. Suitable for confident players.
Arena 1 coin per correct answer	Children race against other members of their class who are logged in and choose the same arena name at the same time. Arena games use the same smart question algorithm as Garage games.
Rock Slam 1 coin per correct answer	Players challenge their classmates or teachers to answer as many questions as they can in 60 seconds, setting a score for the challengee to beat. Pupils don't need to be online at the same time.
Tournaments	Battle of the Bands – groups of children within the same school (usually classes, year groups or teams) compete to have the highest <i>average</i> score per player. Top of the Rocks – like a Battle of the Bands <i>between</i> schools. The winning class or school is the one with the most correct answers per person. Important: Each correct answer (in any game mode) earns 1 point towards the team's total in addition to the coins earned. For example, in Garage games each correct answer is worth 1 point for the team and 10 coins for the player.

Learners with different needs

How can I hide the timer?	Start a game and press ⚙ > Hide Practice Clock. You could also play a game in Jamming.
How can I increase the length of Garage games?	Single player > Garage > press the little arrow below "play solo" > choose 1, 2 or 3 minutes.
The tables are too hard	Make sure your child is playing in Garage or Arena game modes. If this does not resolve the issue, please speak to your child's teacher. Remember that Jamming mode allows the child to choose the tables themselves.
My child gets anxious	Try the three above plus: setting mini goals (e.g. complete 2 minutes today, get 1 more point in the next game, pass 1 level); having a break from online play (come back in a couple of days); and reminding them of Baz's words: "A good rock star stays chillaxed by accepting they make mistakes."
My child has visual impairments; what settings are available?	Head to the Profile page where you can: change the colour scheme; reduce the visual stimuli with Declutter mode; increase the font size or switch to a dyslexia-friendly font called Lexie. play.ttrockstars.com is also screen reader compatible.
Can I turn off division?	Yes in Jamming mode but not in the other games. The reason for that is that practising multiplication and division at the same time supports the recall of both and is the most successful approach. If your child is finding division confusing, please speak to their teacher about starting with the 10s only and for advice on how to help at home.

Troubleshooting

My child's coins and/or Studio speed have suddenly dropped	Another child may have logged in as your child. Please reassure your child that this can be rectified. Contact their teacher who can set a new password, refund any coins, delete Studio games and talk to the class about online safety.
My child plays too much	Set firm TTRS time limits; reward healthy choices; take away devices before bed.
My child's name is showing on a school leader board.	Please ask your child's teacher to change the settings at their end so that rock names show on the leaderboards instead of real names.
What does the ⚙ mean?	If this symbol appears over a game tile (e.g. over Garage) it means the teacher has set your child a certain number of minutes to practise in that game mode for homework. Once they complete those minutes the other games unlock.
Is TTRS safe?	Yes. There are no adverts, no in-app purchases nor any chat functions. See more in our Privacy Notice (mathscircle.com/privacy-notice).

Year 3 Walk to the Village

On Thursday 15th October, year 3 will be going on a walk around the village as part of our learning in geography in the afternoon. We look forward to exploring our village!

Year 4

Year 4 Residential Trip to Osmington Bay - May 2027

After another hugely successful visit to Osmington Bay in Dorset with the children of Year 4 last summer we are delighted to be planning a return visit in May 2027.

This will be residential for 2 nights, with the party leaving school on Wednesday 5th May and returning on Friday 7th May 2027.

Whilst we stay at Osmington Bay, the children will take part in a range of exciting activities which could include – archery, abseiling, climbing, zip wire, giant swing to name but a few, all conducted by experienced leaders in a safe environment.

The children's accommodation will be in groups of 4 with en suite facilities for each room. All meals are included with a good selection of hot and cold menus. PGL is able to cater for all dietary requirements.

At this moment in time we need to confirm our booking with PGL. **To reserve a place for your child, please could you complete the Google form [here](#) and make a deposit payment of £80 via parentpay by 1st October. This deposit is non-refundable.**

The cost of the trip is £320 per pupil inclusive of travel, full board accommodation and equipment. Should there be any difficulties in making payments, a confidential chat with myself may enable us to secure support where it is needed. If this is the case, please do not hesitate to contact me.

We would ask that the deposit of £80.00 be paid by ParentPay at www.parentpay.com by the 1st October 2026. The deposit is non-refundable. The remaining £240 needs to be paid by 1st March 2027, and we would ask parents to pay at least the minimum instalments by the following dates:

£60 by 1st November 2026

£60 by 1st December 2026

£60 by 1st February 2027

£60 by 1st March 2027

Could I please ask you to respond to say if you would not wish your child to attend. If children do not attend, provision is made in school for them for the 3 days.

If you have any questions regarding the trip please make contact via the school office.

Mrs Valentine

Year 5

YEAR 6

Year 6 Secondary Transfer Test

Dear Year 6 Parents,

With the release of the Secondary Transfer Test results later today, I wanted to write to you to share some useful information and advice.

Your child's results will be sent via email from 4pm later today (Friday 10th October). If you do not receive them, please contact the school office and I will be able to share them with you after 4pm. The results email will also contain information and advice on the next steps depending on whether or not your child has reached the qualifying score to be considered for a Buckinghamshire Grammar School.

I welcome you to make an appointment to meet with me following the outcome of the Secondary Transfer Test should it not be what you were expecting and you would like to discuss the options you have. You can do so from Monday morning by calling the school office. I will allocate various times in my diary throughout next week and the office will be able to make you an appointment. There is no need to call/email on Friday afternoon/evening. In the email, there is the opportunity to trigger a Selection Review. My advice is to wait until we have met before doing so.

You may recall that in the meeting held in June, I gave some advice based on my experience over the years in managing the secondary transfer process and I would like to reiterate some key points in the hope that this will help to ensure a smooth process and to support you in protecting your child's wellbeing.

Consider carefully when and where you look at the results. The playground, the car park or on the way home are not ideal. A much better option is in the comfort of your home and surroundings.

- Remember that the results are addressed to you. Think carefully about how you share them with your child. My advice is always for the parent to look at them first so you can carefully consider your reaction before sharing the results with your child.
- Think carefully about how much information your child needs. Giving them too much about the results can lead to issues for us back in school as children compare themselves with each other.
- Consider your use of language carefully. Please avoid using the words 'pass' and 'fail'. The impact and pressure on the children knowing they have 'failed' can be very damaging and we want all children to see the positive aspects of any result they gain.
- The temptation to get onto the phone or social media will be high, but please consider that not all families may have received the results they were expecting. Remember the results are private and confidential to you.

At the end of the school day today, I will meet with the children before they go home to share some of this information relevant to them, but most importantly to deliver the same messages we have been sharing with them throughout this process so far - that their best is always good enough, that they should be proud of how hard they have worked, how much effort they have applied and how mature, focussed and conscientious they were. There will be plenty of care, reassurance and encouragement.

Thank you for your support. I will look forward to hearing from you should we need to next week.

I wish you all a happy weekend.

Mrs Alburg

Year 6 Residential Trip to Wales, Rock UK - June 2027

Following the meeting for Year 6 parents, I am delighted to confirm with you the provisional details for our Year 6 residential trip with Rock UK to the Summit Centre in South Wales.

For more information about the trip, please see a presentation on our school website which you can find by clicking [here](#). I will also be sharing a similar presentation with the Year 6 children.

Provisional trip details

Depart Chalfont St Peter: Monday 14th June 2027 (time to be confirmed but approximately 9:30-10:00am)

Return Chalfont St Peter: Friday 18th June 2027 (time to be confirmed but approximately 2:00-2:30pm)

Coach company: Motts

Centre: Summit Centre
Trelewis
Treharris

The total cost of the trip is £515.

If you would like to reserve a place for your child on the above proposed trip to Wales in June next year, please could you complete a Google form by [clicking here](#) and pay a deposit of £90 via Parent Pay by Friday 25th October 2026. This will be non-refundable in the event that the trip goes ahead. The remaining £425 needs to be paid by 1st May 2027, and we would ask parents to pay at least the minimum instalments by the following dates:

£85 by the 1st December 2026

£85 by the 1st February 2027

£85 by the 1st March 2027

£85 by the 1st April 2027

Final payment of £85 by the 1st May 2027

In the meeting, I encouraged any families who may be concerned about paying for the trip to contact me confidentially so that financial hardship is not a reason for not joining the trip. There are a few options we can explore together (including alternative payment plans and bursary funds) and I urge you to contact me to discuss further should you need to as soon as possible. You can do so via the school office either by calling or by email.

If you have any questions/concerns and you and/or your child would like to discuss the trip with me, I am very happy to do so.

I cannot emphasise enough what a wonderful trip for the children this is. Not only does it create unforgettable, lasting memories with their friends that really contributes to the final weeks of their CSPA journey, but it also develops skills in the children that aid their transition to secondary school and the next stage of their lives. It is my wish and hope for every child in Year 6 to attend and that no child misses out, so please do reach out to me so I can help with any uncertainties.

I can't wait to share this wonderful trip with your child and I'm looking forward to June 2027 already!

Mrs N Alburg

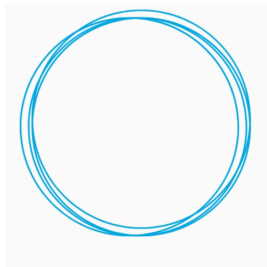

Sharing success in the local community

Jesus said '*I have come that you may have life in all its fullness*' (John 10:10). He calls us to a full life in mind, body, heart and spirit. At CSPA, we believe the purpose of education is to nurture and enable every child to thrive and to be the person they are fully capable of being. We are proud of what our children achieve, not only in school but outside of school too!

If your child achieves success in the community we would love to hear about it. Please email a summary and any photographs to the School Office to feature here.

I thought the teachers might like to know that there were a few CSPA students helping with the village litter picking last weekend. It was Bill's (Year 4) first time but we're going to make it a regular thing! He really enjoyed it and we went around the school gates and surrounding areas.

When he attended a summer sports camp at CCC this summer, the teacher there complimented his brilliant behaviour and said they always find the CSPA students are very well behaved, which made me extra proud.
